

JOIN US FOR THE FIRST EXHIBITION NIGHT OF THE 2018-2019 SCHOOL YEAR!

Friday, October 19th

As a part of this year's new curricular focus of holding thematic exhibition nights, our students have prepared for you for this first event our exhibits entitled...

Letting Off Some...

During the first trimester of the year, each grade levels are charged with taking on a real-world problem for which they need to work towards finding a solution. The purpose is to show the students how they can use the principles of STEAM education to be innovative problem solvers, in the process building critical thinking skills necessary for future success in life. The night is sure to be one filled with wonder and awe as you tour their creative and informative displays. We look forward to seeing you there!

Exhibition Night Schedule:

5:15 - 6:00 pm: Kindergarten, Third and Fifth Grades

6:15 - 7:00 pm: First, Fourth, and Sixth/Seventh Grades

7:15 -8:00 pm: Second and Seventh/Eighth Grades
